- 7) This July , an organization called **LETSCAN** (London English Teaching Services Canada) will again be renting our Lower Hall for English classes for High School age international students.
 - Monday to Friday mornings only
 - LETSCAN is looking for people who live in the Southcrest/Berkshire and surrounding area to host 1 or 2 of the international students or chaperones.
 - this is so the students can walk to their English classes each morning here at Mt. Zion
 - there is **financial compensation** provided to the hosts.

NOTE - the students are not at your house all the time; they are taken on out-of-town trips on weekends by the organization and are away sightseeing locally most weekday afternoons.

NOTE - you are basically helping a young person learn more about Canada through casual conversation with them during the time they are at your home.

 - if you are interested or know of someone who might be, check out the info posted on our bulletin board or see Pauline.

- 8) If you are able to help with **counting the offering** following the service, please use the sign-up sheet on the bulletin board.

- 9) **We have returned to passing the collection plates** during the offertory song.
 - if you are able to help with this by taking a turn, please use the sign-up sheet.
